

The newly elected officers of the Student Council are (standing), Ronnie Genin, Mike Meyers; (seated), Larry Toal, Pat Quinlan, and Weldon Frommeyer.

QUINLAN HEADS COUNCIL, PLANS FUTURE EVENTS

Pat Quinlan will head this year's student council after being elected president by the high school division of the student body Sept. 26. Pat, who is captain of the football team and vice-president of the new dormitory, defeated his opponent, Mario Lovisa, by a vote of 104-81. Quinlan also participates in basketball.

Larry Toal defeated Joe Martin 94-90 to obtain the office of vice-

president. The vice-president is also president of the new dormitory and assistant coach of the "Tiny Rocks."

The post of second vice-president was easily gained by Weldon Frommeyer, who obtained a majority over Jack Leary, Rory MacDowell, and Jay Rosato. Weldon also participates in football and basketball.

Secretary Ronnie Genin defeated Jack Suzeneau by receiving over 60% of the total votes cast. Football and basketball occupy Ronnie's time in addition to his school work.

Mike Meyers moved into the position of treasurer, being the only candidate to throw his hat into the ring. Mike also participates in athletics, including football, basketball, and track.

President Quinlan assured, "The officers will work with other members of the Student Council, such as class presidents, and delegates from the Confraternity, Band, and other organizations of the school, to make improvements, changes and additions."

Brother Lee Appointed Principal

Brother Hubert Bonnette, S. C., Provincial, has appointed Brother Lee Barker, S. C., new Principal of St. Stanislaus High School.

"It is a pleasure for me to work with the faculty and students at Saint Stanislaus. From the outset I have found the students to be friendly, manly, and

New S.S.C. faculty members (seated), are: Brothers Michael Vadrine, Ronald Sylve, Aquin Gauthier. Standing are Brother William Boyles, Brother William McCue, and Mr. James Thriffiley.

NINE NEW MEMBERS JOIN SSC FACULTY

Nine new faculty members joined the staff of SSC this September. Brother Roland Smith resumes his post as President for the 1966-'67 school year, with Brother Lee Barker taking over as principal.

Brother William Boyles, formerly of Alexandria, Dallas, New Orleans, teaches eight and ninth grades, and is a co-moderator of the Rock A Chaw.

Serving as prefect of the youngest group of Resident Students is Brother Aquin Gauthier. Brother taught in Houma, La. last year and teaches junior English to 11A.

Joining the faculty as Librarian is Brother William McCue.

Assuming the post of Director of Maintenance is Brother Roy. Brother Roy was prefect in Alexandria last year and before that at Catholic Boys Home in Mobile, Alabama. Brother Roy teaches math to the seventh grade.

Mr. David Shaw assumes the post of Assistant Band Director and Director of the Glee Club. Mr. Shaw has just completed three and a half years in the Air Force.

Coming from Dallas, Brother Ronald Sylve teaches the seventh grade history and English. Brother Ronald also serves as Faculty Moderator for the Tiny Rocks football team.

Taking over as physics and

competitive -- a combination which makes for a great student body," commented Brother Lee on his appointment.

Previous to serving as Principal of St. Aloysius, Brother served as Director of the Sacred Heart Juniorate, Daphne, Alabama; attended the Grand Novitiate in Rome, Italy; and taught at St. Joseph's, Metuchen, New

Why School Spirit?

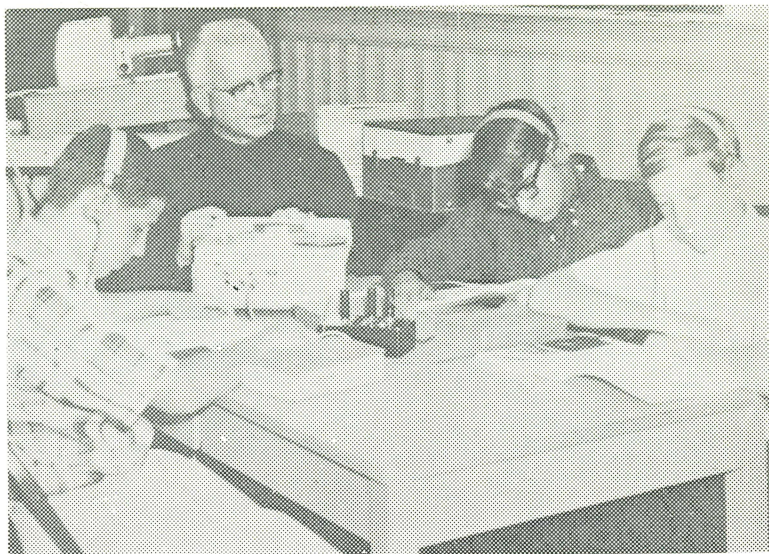

Who needs school spirit? After all why should I be proud of Saint Stanislaus? What has the school ever done for me, besides provide me with a good education?

I am too proud to advertise my school by the use of any good example or by rooting for my team at a pep rally or at a game. Why should I go out of my way to see my team play a game away from home? After all I will hear the score sooner or later.

Why do I need school spirit? All schools are about the same anyway. Just because my school is a Catholic one, and one that can give me a good understanding of my faith, that is no reason why it should be any different from any other school.

Why do teachers constantly tell me what to do, when they should know by now that I will do just what I want to do? And why should I pretend to be well behaved in public — for what does it matter? No one will judge me for my school by the way I act.

Why should I have school spirit? Who needs it?

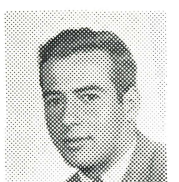

Brother Canisius demonstrates the use of a tape recorder as part of the newly-organized Reading Clinic as David Macrae, Marque Delahoussaye and Dale Jackson listen to a tape.

BIENVENIDO A SSC

POR ARTURO BOUCUGNANI

Bienvenidos a otro ano escolar en el viejo Stanislaus. Este ano tenemos como Seniors a Arturo Boucugnani, Rene Guas, Hector Mora y Manuel Jose Pepen que vienen respectivamente de la Republica Dominicana, Costa Rica y Cuba. De sophomores tenemos a Paul Lafette, Albert Levings y Carlos Pepen que respectivamente

tambien vienen de la Republica Dominicana, Venezuela, y Honduras. En septimo grado a Bruce Awe de Honduras Britanicas, y en quinto grado tenemos a Alvaro Blanco de Guatemala.

Este ano todavia no hemos tenido un gran acontecimiento pero les podemos informar que los Pepenes estan denuedo en la Banda. Tombien que Mora volvio a la cosina como el ano pasado y de alludante ahora tambien a Jose Pepen.

Todavia es muy temprano para decir algo pero tal parece que Jose Pepen piensa volver con su antiguo amor del ano pasado, y que tambien su hermano Tony esta indeciso entre un amor nuevo en el Convento o de volver a su antiguo amor tambien del ano pasado.

Segun el ano siga su rapido paso les podremos seguir informando los ultimos acontecimientos.

Alumni

Recently seen on campus were Birch Wilbert, who frequently is seen visiting the new Residence Hall; John LaBruzzo, who is sales manager for Tac Amusement Co.; Niel Fick, a sophomore at St. Ambrose College in Davenport, Iowa; Tom Kleinpeter, part owner of Kleinpeter Dairy Farms in Baton Rouge, La.; and Paul Asullo, who is presently in the United States Navy.

Henry Waguespack of the class of '03 was some time ago to see his seventh grandson, Ralph Aucoin, settled at school for the '66-'67 session.

Anyone who has news of alumni and wishes to have news placed in this article is requested to send this information to Stanislaus are of the Rock A Chaw.

The Rock A Chaw staff also requests that any changes in

SSC Inaugurates Reading Program

Developmental reading programs have been introduced this year at SSC, under the direction of Brothers Canisius and Celestine. The major aim of these programs is to increase proficiency in reading by improving reading skills and by stimulating greater interest in reading.

The high school program, instructed by Brother Celestine, meets three times a week for fifty minutes each session. They have daily controlled readings which are followed by uncontrolled exercises from reading manuals. The students keep a daily record of their reading rate and comprehension. This record is plotted on a running graph. Factors which influence learning, such as motivations, concentration, comprehension, etc., are discussed to reinforce classes. Other tools of learning and devices which can be used to increase efficiency in the classroom

and study situations are also explained.

Brother Canisius, instructor of the junior high reading clinic, conducts his classes five days a week for fifty minutes each session. These classes use the Scholastic Literature Unit Plan, which provides for class, group, and individual work. In class work, students go over assignments to increase their skills in reading and learn to interpret things they read, or they listen to on tapes. Individually they use the SRA laboratory method to increase comprehension skills on the student's own level. Students are given certain books to read within a certain period of time. This is done to encourage reading for enjoyment or for recreational purposes.

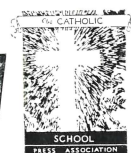

"At the end of the course," comments Brother Celestine, "a student is given a report on his achievement. Through these reading clinics, students have doubled, tripled, and even quadrupled their speed of reading without sacrificing comprehension, reducing time needed for study proportionately.

"The students gain greater confidence in themselves as the result of mastery acquired over the techniques of study. This confidence manifests itself in better participation in classroom activities, improvements in completing

THE ROCK A CHAW

ROCK A CHAW STAFF

Reporters Michael Gemelli, William Goodwin,
Terry Malone, Joseph Martin.

Rock A Chaw Staff Joins NSPA, CSPA

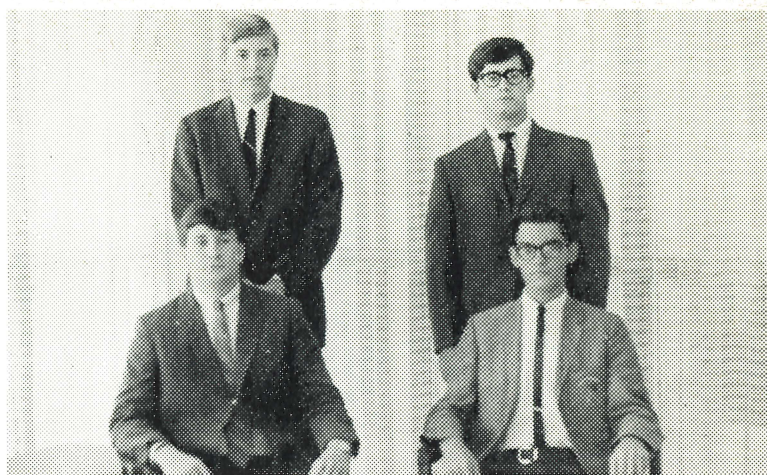

Beginning its thirty-fifth year, the **ROCK A CHAW** has joined both the Catholic School Press Association and the National Scholastic Press Association in an effort to compete with other high school papers throughout the country.

Both the CSPA and the NSPA have as their purpose aid in the improvement of scholastic publications. Their chief aim is to help staffs and advisors to raise the level of their efforts to meet high standards of excellence. Both provide critical service which pinpoints areas of excellence and deficiency as well as provide a comparison of other school papers in the form of awards given to outstanding publications throughout the country.

Also this year the Rock A Chaw

has a new format, enlarging from three to four columns. The paper is now printed on slick "enamel" paper, giving it a glossy appearance rather than the dull finish of the offset printing of previous years.

In years past the Rock A Chaw has been a member of CSPA, the NSPA, and the Quill and Scroll, another journalism association, and has received the awards of All-Catholic (1961) and First Class Honor rating (1958-1961).

Officers for the Confraternity are (standing), Carey Phillips, Rene Guas; (seated), Joe Martin, and Keith Boudreaux.

MARTIN, BOUDREAUX HEAD CONFRATERNITY

Under the direction of Joseph Martin, president, the Confraternity of the Sacred Heart began its '66-'67 program with the first meeting Sept. 27. The other officers are: Keith Boudreaux, vice-president, Carey Phillips, secretary, and Rene Guas, treasurer.

At the first meeting Brother Celestine, moderator, and the officers set down certain rules of membership, namely the practice of the daily rosary, meditation, spiritual reading and the practice of two extra Masses a week plus a group Mass on Friday. The members will have three committees. The spiritual committee will conduct the spiritual activities such as Bible vigils,

holy hours, and the Way of the Cross later in the year.

The second group, the social committee, will sponsor the dances given by the Confraternity. The third will be the pamphlet committee, which will take care of the pamphlet racks to be placed throughout the city.

This year the Confraternity is limited to the Junior and Senior classes. The Senior class has nineteen members, and the Junior class has almost twice as many.

SSC Student Dies In Wreck

Malcolm J. Seuzeneau, Jr., eleventh grader, died in an automobile accident Friday evening.

Malcolm was the son of Mr. and Mrs. M. J. Seuzeneau, Sr. of Bay St. Louis and the brother of Mrs. Cheryl Kennedy.

Funeral Mass was celebrated Monday at Our Lady of the Gulf Church followed by interment in the Garden of Memories.

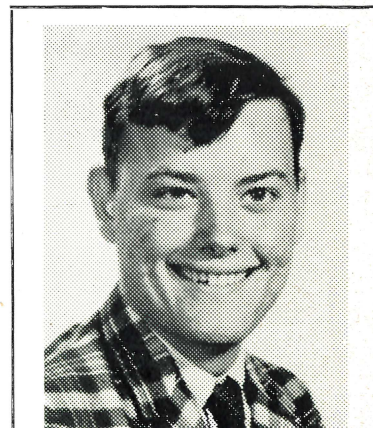

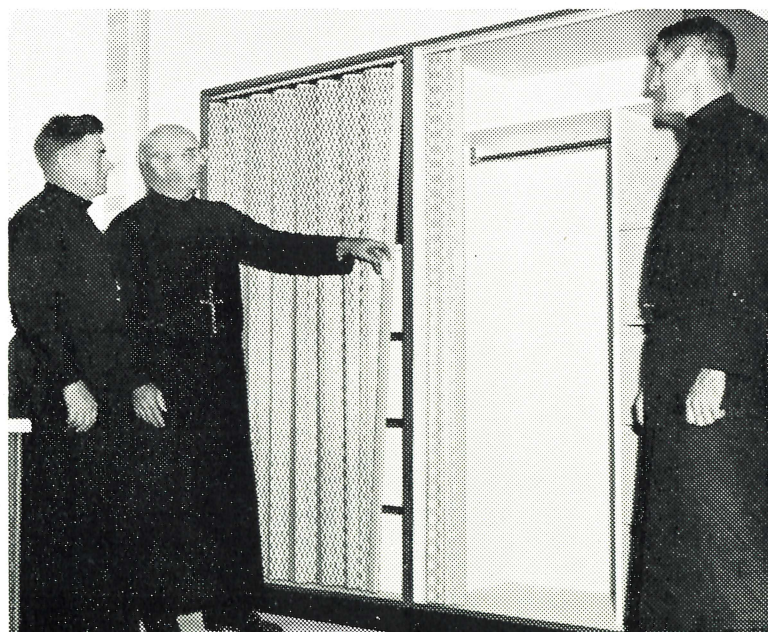

NEW RESIDENCE HALL COMPLETED AT SSC

Recently completed at Saint Stanislaus is the new, completely air-conditioned residence hall for 100 boarding students, built by the O'Meara-Chandler Corporation at the cost of \$800,000. The new facility contains semi-private rooms, each with a shower and toilet. Included also in the structure are TV rooms, snack bar, lounge areas and conference rooms for visitors.

Each semi-private room contains formica covered beds and desks and a wardrobe of the same construction. All rooms are connected with the prefect's room by a modern inter-communications system. The floors of the main hallway and lobby area will be of terrazzo and the hallways of the residence area will be carpeted. The entire building has been acoustically treated to ensure quiet for the best possible study conditions. This new building will give St. Stanislaus the most up-to-date residence hall in the Southeast.

The Cafeteria building, Infirmary

facilities which eventually will include a new Administration building and classroom building to replace the three existing buildings facing the Bay of St. Louis. Also included in the overall plan are a hard surfaced area containing courts for basketball, tennis, volleyball and shuffleboard, and an all season swimming pool.

Rock Squad Drops Opener

East Central Hornets stung the Rock A Chaws 12-6 in the Rock's season opener Sept. 9.

Passing proved to be the vital factor in the Horne's' attack, as they scored two touchdowns in the second quarter. Both attempts for extra points were unsuccessful.

Getting a hand-off from Ricky Oustalet, fullback Rene Guas ran 60 yards for the only Rock A Chaw TD.

Neither squad scored in the second half, as both defenses stiffened, and the Hornets secured a 12-6 victory.

Wolves Stop SSC Drives

St. Paul of Covington, Louisiana, ground out a 13-0 victory over the Rock A Chaws, September 31, in another inter-state football game, at Covington.

Neither team could move into scoring territory during the second quarter of the rain-soaked game. With 5:52 left in the half, the Wolves got on the scoreboard when Ronnie Canik ran 55 yards around the left end for the touchdown. The extra point failed.

The third quarter was scoreless, but in the fourth period the hosts struck again on another long scoring run. Don Bagile took a handoff up the middle and raced 59 yards for the touchdown. Jerry Leamont kicked the extra point.

The 1966 football squad is (bottom row) Mike Ryan, Claude Betheze, Max Gianelloni, Al Jacobi, M. J. Rhodes, Randy Coyle, Steve Worrell. Row two: Ronnie Genin, Rene Guas, Robert Marshall, Steve Exum, Mac Cowand, Rucks Robinson, Mike Lytal. Row three: John Jones, Bruce Brown, Steve Eufanks, Jim Black, Mike Meyers, Greg Presnell, Ronnie Matthews, Bill Mashburn. Row four: Jim Rehkopf, Vaughn Arceneaux, Mickie Pugh, Ricky Oustalet, Dan Griffon, Pat Quinlan, Mario Lovisa, Nelson Saucier, Wendy Frommeyer.

Metairie Bows To Rocks In Home Tilt

Quarterback Steve Worrell, playing his first high school game, passed for three touchdowns, to lead the Rock A Chaws to a 34-7 victory over Metairie Country Day Home, Sept. 23, in an inter-state battle.

Worrell passed 22 yards to end Mario Lovisa in the first period for a touchdown. Minutes before the half, Worrell threw another scoring pass, this time to Ronnie Genin covering 35 yards. Mickey Pugh scored the first of four

extra points to give the Rocks a 13-0 lead at the half.

The Rock A Chaws put the game out of reach in the third quarter with two touchdowns. M. J. Rhodes scored the first of these on a nine-yard run, and later in the period hurled a 12 yard pass to Mike Meyers.

Pugh capped the scoring in the fourth quarter when he blasted in from five yards out.

Mike Hauge of Metairie's Cajuns ran one yard for the touchdown and also added the extra point on a run.

Making his way to the congregation in front of Aurelian Hall to begin dedication ceremonies is Bishop Brunini who is assisted by Rev. George Hefner, S. V. D., Brother Lee, S. C., and servers Ed Polozola and Randy Coyle.

Bishop Blesses Residence Hall

The most Reverend Joseph Brunnini, Apostolic Administrator of the diocese of Natchez-Jackson, officially dedicated Aurelian Hall, the recently constructed dormitory building at St. Stanislaus, November 20. The ceremony also included addresses by Ladner, City Commissioner for Bay St. Louis, Brother Hubert Bonnette, S. C., the Provincial of the New Orleans Province of the Brothers of the Sacred Heart,

and Brother Alexis, S. C., Assistant General of the Bros. of the Sacred Heart and former President of St. Stanislaus.

During the ceremony Brother Hubert stated the reason for naming the new dormitory Aurelian Hall. After coming to the United States in 1902 and serving as gardener and custodian of the grounds for the past 64 years, dedicating this new building to Brother Aurelian, Brother Hubert said, was only a small token of appreciation for his service.

The building is a three story structure containing 90 rooms for students and accommodations for six prefects. There is a reception room and two parlors on the first floor. A snack area and a place for television viewing are found on the second floor.

Four grammar school students share each of the ground floor rooms. High school students occupy the other two floors with three students in each room.

ANN MORLAN REIGNS OVER HOMECOMING

Music by Otis Scott and the Starlighters, along with sounds of the Aubrey Twins, provided active entertainment for merrymakers at the annual homecoming dance Nov. 12, climaxing a hectic week of activities.

Festivities began Thursday night with a pep rally at Rock A Chaw Stadium, highlighted by the largest bonfire

in years. Junior A Class won the woodgathering contest for the bonfire and also was awarded the "Spiritjug" for displaying the most spirit and enthusiasm.

Preceding a contest Friday night with Notre Dame's Rebels, Homecoming Court, cheerleaders, and Rock-A-Chaw fans paraded through the streets of Bay St. Louis from Campus to the Stadium.

Between rain-soaked halves of 32-7 Rebel victory, weather conditions cleared sufficiently for presentation of the Homecoming Court, which consisted of girls from St. Joseph's Academy and boys from SSC.

This year's court included Ann Morlan, queen, escorted by Larry Coal; Fee Seuzeneau, first maid, escorted by Joe Martin; second maid Jeannie McCollister, escorted by Ricky Oustalet; Mimi Monahan, third maid, escorted by Jack Kearney; and fourth maid Brenda Artigues, escorted by T. G. Latham.

Homecoming activities climaxed with the dance Saturday night.

Coming Events

Dec. 12-14—Senior Retreat at Xavier Hall

Dec. 16—Christmas holidays begin

Jan. 3—Classes Resume

Jan. 20—End of 2nd Quarter.

Brother More, Father White Initiate Guidance Program

A full scale Guidance Counseling Program, under the direction of Bro. More and Father White, has gotten under way at S.S.C. this year. This program is a means of helping individuals to understand and use wisely the educational, vocational, and personal opportunities they have or can develop. They are designed to help every individual in studying and understanding himself as a unique personality, growing, changing, and developing in constant response to the pressures and stimuli of the life and place in which he lives.

It also provides for information concerning college work. Such things as what colleges offers what subjects and the limitations and requirements it sets for its students. A student can also get his standardized tests, such as the ACT, EDT, National Merit, etc. interpreted and see how he can use these results to plan future courses.

must undergo to attain the requirements.

Individual difficulties in studies and personal difficulties are also part of the program. In this manner students are able to talk over problems with someone who can help them work them out and thus develop the character better.

Students who wish to see the Guidance Counselor should obtain a card from the office and denote to whom he wishes to speak and the time.

SSC Entertains On Halloween

Children from the Hancock County Children's Center were entertained at a halloween party sponsored by St. Stanislaus students under the supervision of Brother Canisius October 30.

Boys and girls were brought to the campus by Brother Lee, and were then shown into the Big Recreation Hall which had been decorated for the occasion. The entertainment included several numbers played by members of the school band, a reel of cartoons, and a "Hobo Dance", performed by Brenda Artiques and Fee Seuzeneau of St. Joseph Academy.

Student Council Takes Charge Of Homecoming

Principal order of business of the Student Council the month was organization of the Homecoming dance, which featured Otis Scott and the Starlighters, along with Aubrey Twins.

Otis Scott and the Starlighters are a well-known group in the surrounding area; and the Aubrey Twins, having appeared on the Tonight Show, are nationally famous.

Reputations of these performers was significant of the show on Nov. 12, in the former dorm decorated by volunteers gathered through Student Council members.

Another project on the agenda the Council is the selling of

school license plates. These plates are black with red lettering "Stanislaus Rock A Chaws."

Question of students wearing award letters and other garments advertising schools previously attended has arisen. At the second council meeting it was decided that these items may be worn, but any lettering indicating these schools must be removed.

Officers noted that this will develop in the students' greater pride in their school.

Students Elect Class Officers

Mike Pugh leads the senior class as president with Rene Guas, vice president, Griffon, secretary and Charles Taylor, treasurer.

Leading the other senior class Joe Martin, Mario Lovisa, Nelson Saucier and T. G. Latham, in order of rank.

The junior class will be represented this year by Jack Leary, Hugh Arceneaux, Bert Chevis and Ronald Genin.

Representing the members of 10-B are Pat Killebrew, Tom Orchard, G. Eynard and Tom Turner.

In room 10-A Mike Myers was elected to the office of President, with the helping hands of Bill Mashburn, Charles Matherne and Jude Green.

Leading 10-B will be John Jones, Lewis Levy, and Edward Vider.

Taking care of all business in 10-B will be W. Morris, Joe Reuth and Edwin Ordoyne and Thomas Jones.

Running the class for 8-A will be Richard Mashburn, Jim Ousset, Tim Ryan and Chris Lagle.

The officers of 8-B will be Pete Arny, Guy Ribando, George Not, and Feix Virdigit.

The 7-A group will be lead by Ralph Aucoin, Allen Centanni, Chris Taylor and David Worrel.

Bud Kleinpeter, Frank Klein, Mark Martinolich and Mike Russell, will take on the duties of officers in 7-B.

Tony Eymard was elected president of the sixth grade with

Celebration Planned Seniors Accept Class Rings

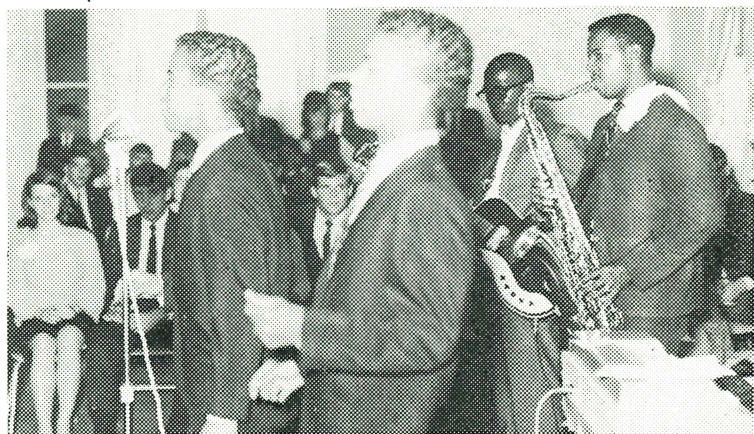

Msgr. Hannon presented seniors their class rings in a ceremony at Our Lady of the Gulf Church, November 28.

The Monsignor stressed significance of the background behind this ring's design.

An image of the main building of the campus, including the cupola, is embossed on one side. A crest depicting the Sacred Heart graces the other side, with "Ametur Cor Jesu," motto of the Brothers of the Sacred Heart, included.

An Old English gold "S" is engraved in a ruby, surrounded by four figures of a rock a chaw.

To commemorate this memorable occasion, a ring dance was given Dec. 2.

The Aubrey twins and Otis Scott and the Starlighters entertain for the Homecoming festivities.

AROUND THE CAMPUS

Dr. Andrew Martinolich was elected president of the SSC Alumni Association Nov. 20. Assisting him as vice presidents will be Mr. Ed Carrere, Jr. and Mr. Alvin Genin, who are also in charge of the New Orleans and Gulf Coast Chapters, respectively.

This year the New Orleans Chapter executive board will be composed of Berch Wilbert, Luke Saucier, Lawrence Vallon, Bill Foster, A. J. Brady, and Earl Christenberry. Forming the Gulf Coast executive board will be: Robert Hubbard, John Egloff, Norton Haas, Sr., Nelius Favre, Eugene Monti, Cyril Glover, and Warren Carver.

Mr. William Carver is the outgoing president. He has served two years as president of the Association.

The Association has adopted a proposal to try to raise funds as quickly as possible to assist the school in paying for the newly paved area for a playground. It consists of three tennis courts, six handball courts, and three basketball courts. It is made of asphalt. The tennis courts

will be surrounded by a twelve foot cyclone fence and the handball courts will be made of brick.

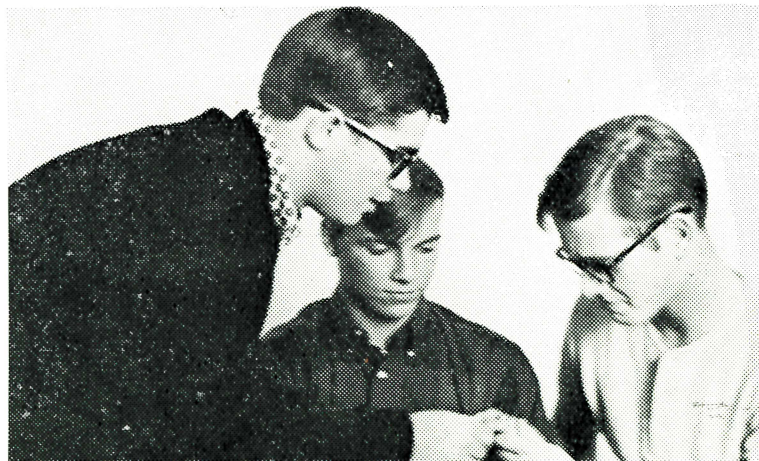

Attending the meetings on the day of dedication of the new dormitory were Eugene Monti, '38 J. Van Cloostere, '34, Ed Carrere, Jr., '39, and M. M. Hass, '34. Other members included Norton Haas, '25, Joseph J. Scafidi, '26, John A. Egloff, '26, and Robert Hubbard, '57. Representing the class of '31 were L. J. Vallon, Bill Foster, Osmond Blaize, Sr., and Luke Saucier.

CONFRATERNITY PLANS SEVERAL NEW PROJECTS

The St. Stanislaus Confraternity is in the midst of a very active fall season. Many changes and additions to the routine have been planned by moderator Brother Celestine and the officers in order to keep the organization up to date.

Already, a Thanksgiving Basket Drive has been held in which each class collected food and clothing to be distributed to needy families on Thanksgiving Day. Cash donations were collected and the money was used to purchase food and turkeys. The turkeys were made available to the classes at a wholesale rate by Brother Alban, who is in charge of the cafeteria. Interested classes purchased them to add to their gift baskets. Mrs. Franckiewicz supplied the school with a list of needy families in the area who could not enjoy a Thanksgiving Day dinner this year.

The officers attended a meeting at St. Augustine Seminary in

Picking up a few extra yards in a 19-19 tie against St. Bernard is quarterback Steve Worrell.

Rocks Massacre Bulldogs 28-0

A fired up SSC team, sparked by the alertness of a sound defense, invaded Van Cleave and came out with a 28-0 victory over the Van Cleave Bulldogs, October 28.

Scoring in every period, the Rocks were never in any serious trouble during the game. Van Cleave never had a scoring opportunity.

Al Jacobi intercepting a Bulldog pass at his own 42, raced through a host of Van Cleave tacklers and scored first for SSC.

Grabbing a 15 yard Steve Worrell aerial, Randy Coyle tallied next for the Rocks, making it 14 to 0.

In the third quarter, a four yard run by Mickey Pugh made the score 21-0. Lineman Nelson Saucier then picked off a Bulldog pass and ran it back 63 yards for the final score.

All four placements by Mario Lovisa were good.

CAGERS DROP OPENER; JV DOWNS CHALMETTE

Paced by the sharp-shooting of Ronald Kornick, Chalmette High defeated the home-standing Rocks, November 22, in their opening basketball encounter of the season.

Chalmette led at the end of the first half 26-25 after a slow start by both squads, but action quickened as the contest wore on and the Rocks took charge 43-42, with one period remaining.

When the fourth period began,

Chalmette started to make its move. Kornick set the pace with 9 of the overall 21 points tallied in the final stanza by the Louisianians.

The big factor in Chalmette's 63-56 victory proved to be Kornick's points. Juan and Noonan contributed with 12 and 11 points respectively in the winning cause.

A well-balanced attack was set forth by the Rocks, but the absence of a big scoring punch was their downfall. Mario Lovisa led in scoring for the losers with 12 points, followed by Weldon Frommeyer with 12, and Pat Quinlan with 9.

Preceding the varsity contest the Rocks were victorious in a "B-team" encounter 47-41. After the first quarter, the Rocks were never headed.

Pete Frank led the winners with 15 points, followed by Mike Gemelli with 14, and Tommy Liles with 11. Budde was the only player who scored in double figures for the losers, ripping the nets for 12.

The Coach's Corner

By BILL MURPHY

Although we did not have a winning season this year, I feel that the season on the whole had many successful aspects. Our team suffered many setbacks from the beginning of the season, but still managed to offer fine effort.

Our lack of depth and loss of key players through injuries were major factors in determining our season. Although the squad was young and inexperienced, they displayed a fine attitude and spirit, which can only indicate promise in the future.

This fall, we will have 25 boys returning to our ranks, with additional strength derived from the Junior High team, as well as from outstanding incoming students.

I thank the seniors who provided experience and leadership to the rest of the team.

On the whole, this year should have produced capable and experienced players for next year's team.

Baby Rocks End With Success

Led by quarterback Chip Kerr and backs Norman Cowand, David Wiggins, and Peter Kearney, the Tiny Rocks finished their football season with an impressive 3-1 record. Reviewing the season as a whole, Coach Peter Pellegrini commented, "We were off to a slow start, but as the season progressed we gained momentum and finished with a 100% effort." The Tiny Rock own victories over Gulf View 7-0, and 14-0, and over Bay High 20-6. Their only defeat was their opening game to Pass Christian, 13-0.

ST. STANISLAUS

February, 1967

Seniors End Closed Retreat

St. Stanislaus seniors traveled to Xavier Hall in Pass Christian for the annual closed retreat conducted by the Jesuit priests December 13-15.

After a brief orientation, following their arrival at 9:00 a.m., the seniors began their three days of concentration under the direction of Father Sheridan, S. J. The purpose of the retreat was to give the seniors time to themselves so that they might form plans as to what they would do with their lives after high school.

In the morning two lectures were given and Mass was celebrated, followed by an afternoon of three talks, recitation of the rosary, and the Way of the Cross.

A movie "A Modern Parable" was shown the first night. The seniors then gave their interpretation of the film. Questionnaires on marriage were distributed the second night, and the seniors discussed their various views on this vital topic.

Michael O'Leary prepares to sing "One Last Kiss" as the chorus dances to the "Work Out Song."

SJA, SSC Present 'Birdie'

Under the direction of Mr. Clement Toca and Sister Blantina, C.S.J., St. Joseph's Academy and SSC jointly staged the production of "Bye Bye Birdie," Dec. 11.

Based on the book by Michael Stewart, this musical comedy de-

picts the final publicity scheme planned for Conrad Birdie, a top notch rock and roll singer, before he enters the armed services.

Kim MacAfee, a 15-year-old girl of Sweet Apple, Ohio has been selected to give Conrad one last going away kiss before he

enters that dreadful life of the United States Army. The Ed Sullivan television crew comes to Sweet Apple and the entire town, including Kim's father, falls into a daze when it is discovered that this one last kiss is going to be televised live, coast to coast.

Kim's boy friend, Hugo Peabody, doesn't approve of the idea and tries in vain to discourage Kim. When the young girl doesn't conform to his wishes, he decides to take drastic action. As Conrad is about to make his one last kiss, Hugo enters the stage and with one punch flattens the singer, on a coast to coast telecast.

Chapel Renovated For Modern Liturgy

Anyone walking into the Stanislaus Chapel for the first time since September would notice a marked change. In keeping with

the latest trends in the liturgy, the sanctuary has been up-dated.

The first step taken in this direction was the removal of the statues in the chapel, except that of the Blessed Virgin. This was done to remove distraction and to focus attention on the Mass. Next, the Blessed Sacrament was moved to temporary repository on the side altar where St. Joseph's statue was located. The motive behind this was to distinguish the separation between the Mass and the Blessed Sacrament as two separate elements in the Church.

After this the altar rail was removed and the altar moved forward, the reason behind this being to more closely unify the celebrant with the laity during the Mass, and to give the people a greater feeling of being a part of the celebration, not just spectators.

BRO. ALEXIS MAKES VISIT

Brother Alexis, S. C., second assistant to the Superior General of the Brothers of the Sacred Heart made a Canonical Visit to St. Stanislaus December 4-13.

According to the laws of the Church the Superiors of religious orders must visit every house of their orders every three years. During his visit to St. Stanislaus, Brother Alexis talked in private to all the Brothers and also to the boys in the Postulate.

Brother Alexis will also travel to the schools of the Brothers and to their houses of Study in the New Orleans Province of the

Fat Tuesday?!

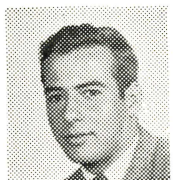

Mardi Gras! These words should incite a feeling of wonder, excitement, and expectation in the heart of anyone who has known what this feast can do to the city of New Orleans and the neighboring Gulf Coast. Mardi Gras means formal balls, held by private clubs, with royal families and spectacular entertainment. It means long parades with countless floats beautifully arrayed with one general theme in mind. It means throngs of excited spectators clamoring for a trinket thrown from a passing float.

But amidst all the traditional merrymaking of the Deep South, there is another, a far greater meaning. Mardi Gras, or Shrove Tuesday, is the last day before the beginning of Lent, that season during which Catholics were once required to abstain heavily from meat. This regulation has been removed, but the spirit of penance in this pre-Easter season still remains. Why shouldn't we suffer a little for Christ, after He did so much for us? Your own means of showing your gratefulness to Him is up to you and you alone — don't let the last day festivities dull your mind to your debt to God. You don't have to fast. But when, He didn't have to save you.

Un Ano Nuevo Comienza

POR ARTURO BOUCUGNANI

Este ano como todos los anos nosotros los latinos hemos seguido la tradicion de llegar unos cuantos dias tarde dejes de las vacaciones de Pascuas. Los Pepenes legando seis dias tarde, Levings dos y medio y Boucugnani dos tambien. Nuestro companero Jose Pepen cuando llego de su casa tal como se conocia, la quemadura de Sol que cojio fue tan grande que los americanos de decian entre ellos mismos—Integraron el colegio?

Este ano siempre Boucugnani saldra para el Track Team y tambien por primera ves Jose Pepen, Hector Mora, Carlos Pepen Arturo Boucugnani saldran para el team de pelota, que en el cual nosotros los latinos siempre hemos tenido un buen record en el.

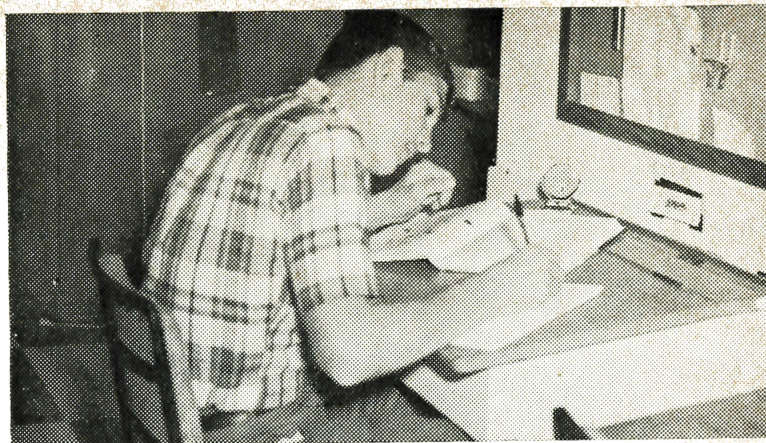

Todos los en este tiempo las latinas del Convento dan una fiesta para hunir y conocer a los nuevos miembros de nuestra comunidad. Vamos a ver como va a ser este ano.

Tenemos noticias que Jose Pepen va a atended a la Universidad de Santo Domingo el ano que viene, al igual que Hector Mora la de L.S.U. en Baton Rouge, y Arturo Boucugnani los R.C.A. Institutes in New York. Estoy seguro pue toda la comunidad les decean que tengan un buen exito en

gio, Hernan Beteta, les manda recuerdos a todos por aqui y dice que el vendra para saludar a sus antoguos compatriotas. Vamos a ver si esto es sierto.

"What do you mean, I need a haircut?!??"

Postulant Randy Coyle puts in extra time on his studies.

Young Men Prepare To Live As Brothers

What is the Juniorate? The Juniorate is a House of Formation for young men who aspire to the religious life of the Brothers of the Sacred Heart.

Young men who study at the Juniorate lead a life similar to that of the Brothers, but on a much limited scale. They study the virtues which characterize the life of a Brother. These virtues include obedience, chastity, poverty, humility, and charity.

These are explained, studied and put into practice.

The Juniors lead their lives closely with each other. They try to help each other lead their lives to the best of their ability to reach their goal. In their relationships with one another, they will gain a true meaning of family spirit, a necessity in a religious community.

Candidates in the Juniorate begin their day with morning prayers and meditation. In meditation, they think on some virtue or part of the life of Christ and then try to apply it to daily life. There is also a period for personal reading of books treating various aspects of the life of a Brother. During this time conferences are held, as well as group discussions.

Alumni

Recent addresses of Dennis P. Gaudet, Arnold O. Steinweg, and Sidney K. Wolf, members of the class of 1917 are being sought for their Golden Anniversary of their graduation.

Thirteen members of the class of 1942 are likewise being sought. These men are Felix "Doc" Blanchard, Stuart Burris, George Comeaux, Richard Freeman, John Funk, Paul Maloney, Edwin Moise, Clifford O'Connor, Thomas E. Powers, Arthur Perez, Julius Rolfs, Aldoph Schmidt, and Harold Zimmerman. If anyone knows the addresses of these alumni, they are asked to contact Brother Philip.

Student Council Plans Projects

Following the business of organizing the Homecoming dance, the Student Council turned to smaller but more numerous projects around the campus recently. At a recent meeting it was decided that only high school students would be allowed a vote on matters brought before the council, but that representatives of the entire school would be allowed a seat.

Representatives and officers of the committee reconditioned pic-

Vice Presidents will be held towards the end of January or the beginning of February.

SSC Entertains In New Orleans

A field trip to New Orleans for the purpose of entertaining both young and old was undertaken by interested students under the direction of Brother Canisius, November 8.

Brother Lee drove the bus into New Orleans; the students were also accompanied by Brother Canisius, the head of the project, and Brother Raymond, the Activities' Coordinator.

Once in town, the group headed for Ray's Rollarama where they joined with interested students from St. Aloysius to entertain children from Chinchuba Institute for the Deaf and girls from St. Elizabeth's Home. A door prize, donated by the Bay St. Louis Western Auto Store, was presented, along with prizes for the winners of special skating games.

The afternoon agenda included a visit to the Little Sisters of the

the right picture with the right name, and pasting the photographs with their correct classes.

License plates continue to be on sale for \$1.50. Two co-chairmen were appointed to head the

SSC Alumni Constructs Student Recreation Area

The SSC Alumni Association has completed a new school project. The plan was to construct a recreation area in the back field. The area consists of six handball courts, three tennis courts, and three full-size basketball courts. Eventually, the barn will be torn down to make room for a set of monkey bars.

The main construction of paving was handled by the Mississippi - Louisiana Construction Company. Mr. Heitzmann was in charge of putting up the handball walls. Also Brother Noel and some of the other Brothers have taken part in the construction. Work was continued during the Christmas holidays.

Dimensions of the area are 2600 feet by 166 feet and covers an area of 31,720 square feet. When the project is completed, the cost will amount to \$10,000. The finished area has been put in use recently.

10-B Demonstrates Christmas Spirit

A program for the purpose of gathering foodstuffs and used toys for distribution to two needy families in the area was undertaken this Christmas by Brother Raymond and class 10-B.

Toys were obtained from townspeople who had been notified of the project by ads placed in the local newspaper. Members of 10-B were dispatched to collect any toys that could not be brought to the college, while others worked on those already obtained.

The fixing and painting of repairable toys was only one part of the operation, however. Several boys brought canned goods for a Christmas basket, and a collection was held in order to get added food to fill the basket. A turkey was provided through the courtesy of Ed Wiedner.

Success of the project was realized after the gifts had been delivered to the recipients. The Christmas basket and some of the toys were brought to a rather large family—fifteen members in all.

The help of all who participated is greatly appreciated, especially the work of the three publishers, Louis Levy, Johnny Jones, and Michael McKinley.

The 1966-67 basketball squad is: Sylvan Ladner, Barry Favre, Vaughn Arceneaux, Weldon Frommeyer, Mario Lovisa, Pete Frank, Pat Quinlan, Mike Meyers, Terry Mulligan, Ronnie Genin, Tom Pritchard.

SSC Junior Varsity Holds Perfect Slate

Chalmette

Opening their season, the SSC Junior Varsity basketball team pulled a 47-41 win over the Chalmette Owls. Tommy Lyles and Mike Gemelli led the team scoring with 14 and 15 points respectively.

Ben Franklin

In their second game of the season, the J. V. defeated the Ben Franklin Falcons, 50-33. Leading the team on offense were Pete Frank with 15 points and Tom Lyles with 13 points.

Notre Dame

In a game which was close all the way, the SSC J. V. came out victors with a 43-41 win over the Notre Dame Rebels. Determination.

St. Joseph Cathedral Prep

Showing their great defense, the JV Rocks trounced St. Joseph of Baton Rouge, 55-18. Mike Gemelli and Barry Favre led all scorers with 11 points each.

St. Bernard

Traveling to Chalmette, Louisiana, the Junior Varsity Rocks folted the St. Bernard Eagles, 45-30. Tommy Lyles sparkled on offense with 20 points, aided by Mike Gemelli with 10. The Eagles gave the Rocks little trouble, as the Rocks maintained a fifteen point lead for most of the game.

Cor Jesu

The Cor Jesu Kingsmen, sporting a 13-2 record invaded the SSC hunting grounds and were crowned by the Rocks, 44-34. Great team effort, combined with the determination and the desire to win, proved to be the margin of victory for the JV.

Falcons, Bulldogs Stop Varsity Five

Plagued by lack of defense and loose ball handling, the St. Stanislaus Varsity Basketball team has fallen to their first three opponents, but have regained their winning form with a victory in their fourth game. At the present time, Vaughn Arceneaux and Ronnie Genin as guards, Weldon Frommeyer and Mario Lovisa as forwards, and Pat Quinlan at center have seen the most action.

Chalmette

Playing their first game of the season, the Stanislaus Rock A Chaws succumbed to Chalmette in a tight game, 63-56. The game was played on the Rock A Chaw home court November 22. Mario Lovisa was the top scorer with 12 points.

Ben Franklin

In a close game all the way,

the Rocks were nipped by the Ben Franklin Falcons, 69-65, in a game which went into overtime. A desperation shot by a Falcon with 4 seconds left tied the game at 62-62. Highman for the game was Weldon Frommeyer with 17 points, while Ronnie Genin had 16 points.

Notre Dame

A fired up team invaded Notre Dame of Biloxi, but fell short of a win by a few points, losing 66-64. The game was a toss up all the way. Weldon Frommeyer, with a good effort, led scorers with 24 points.

St. Joseph Cathedral Prep

In a rugged defensive battle, the Rocks overpowered St. Joseph Cathedral Prep of Baton Rouge, 39-27. Determination and a good team effort by all of the Rocks rucked the game away. Mario

St. Bernard

Facing a tough St. Bernard team, the SSC Rocks bowed, 60-51, to St. Bernard at the Chalmette gym. The Rocks were unable to get started, although they came within four points of the lead many times. Pat Quinlan and Weldon Frommeyer led the scoring with 16 and 13 points apiece.

Cor Jesu

A spirited and fired up Rock A Chaw team met the Cor Jesu Kingsmen, but the Kingsmen showed their power as they beat the Rocks, 58-53, in a thrilling contest. The game could have gone either way, but Cor Jesu won by making 4 key free throws in the closing minutes of the game. Billy Cespedes of Cor Jesu with 16 points led all scoring, while Ronnie Genin had 13 for the Rocks.

The Coach's Corner

By BILL MURPHY

Although our basketball season is in full swing the large part of our schedule is still ahead of us.

We lost only two starters from last year's squad which hosted a 13 - 7 win-loss record.

Our lack of height has been our biggest problem in most of our losses. I feel that our attitude and hustle is the factor that has and will carry us to a successful season.

Our scoring has been evenly divided among all five starters although we need a more consistent scorer if we hope to better our record.

Our Junior Varsity which to date is still undefeated, is the real surprise this year. Their record now stands at nine wins and no losses. Their offense and their defense play has been real good. Team balance is the key here.

In all we have only two seniors on our squad of 23 players, so the future indeed looks bright.

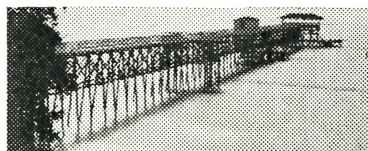

On behalf of the team, I'd like to thank the student body for their fine support and school spirit shown at the games.

FACULTY ADDS THREE TO ROLL

St. Stanislaus welcomed three new arrivals, Brother James Dukes, Brother Joseph Mashburn, and Brother Charles Hoyt at mid-term.

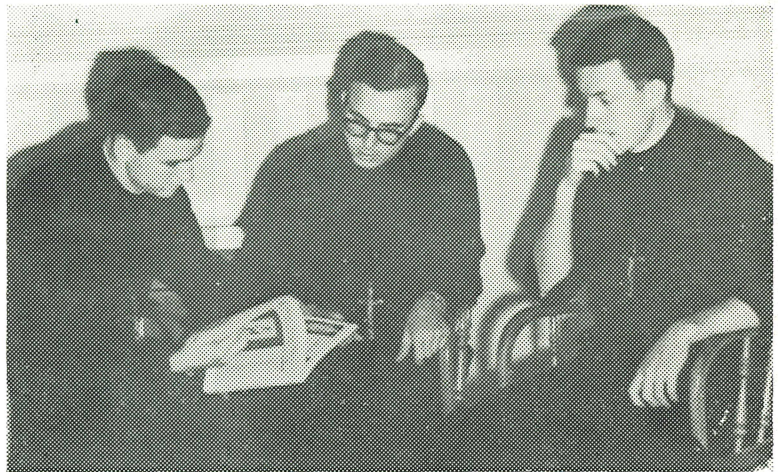

Brother James came to us from the Scholasticate in Mobile, Alabama. Having majored in history, he now teaches the fifth grade. He has been a brother for four years, and has been helping in the production of the new "Folk Mass."

Brother Joseph Mashburn, from Hammond, Louisiana, was here before, but left in order to return to school. Brother Joseph majored in Spanish and history at the Scholasticate, but because of the presence of Brothers Roy and Fin-

nian, is presently working with the maintenance staff. He has been a Brother for six years.

Brother Charles Hoyt, from Spring Hill College, went to business college and is presently working with Brother Firmin and holds the position of School Treasurer. He has been a Brother for three years.

The students and faculty extend a hearty welcome and hope that the new Brothers will be happy here at St. Stanislaus.

Discussing changes in the Liturgy before their active duty here begins are Brothers James Dukes, Charles Holt, and Joseph Mashburn, new SSC faculty members who arrived here at the half-year.

BAND WINS IN CONTEST

St. Stanislaus Band won an award for marching in the Krewe of Uerieds parade in Waveland, Miss., January 28. It also plans to go to Enid, Oklahoma in May.

The band marched against many schools from the Mississippi Gulf Coast; included in these were St. Louis High School and Notre Dame of Biloxi. Also marching was the Keesler Air Force Band.

The band also intends to go to the thirty-fifth annual Tri-State Band Festival in Enid, Oklahoma. All band members will have to play either a solo or play in an ensemble of three, four, or five members. The marching band will compete with other bands from the south and the concert will compete in it's class.

JUNIORS AND SOPHOMPHS. TAKE NATIONAL TESTS

Nationally-based tests were taken by the juniors, sophomores, and freshmen. The seventh graders took a diocesan test on February 28.

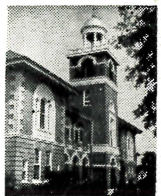

The Juniors took the National Merit Qualifying Test. The sophomores and freshmen took the National Educational Development Tests.

Debate Team Wins At Biloxi

This year, under the supervision of Sister Blandina, students from St. Stanislaus have combined with students from St. Joseph to form a debate team, consisting of five boys and three girls.

Members from SSC are Dan Griffon, George Schmidt, Steve Strutz, George Kearney and Julian Rose.

To start things moving, the members had a debate among themselves on the subject of foreign aid. After studying the subject, two teams were chosen: Dan Griffon and Steve Strutz against George Kearney and Julian Rose.

Steve Strutz and Dan Griffon seem to be the strongest members of the team.

Steve Strutz and Dan Griffon recently won a debate meet in Biloxi. The team is presently pre-

paring for a semi-state contest in the next few weeks; if this is won they will go on to try to win the State Championship.

The team will gladly welcome any new members, but unfortunately no credit is attached. However, the art of speaking can come in handy in later life, even if there is no formal proof of yourr acquiring it in a debate course. As for the plans of enlargement and continuance none have yet been made public.

Student-Council Holds Mardi Gras Festivities

the students into the festive spirit of the season.

Entertainment for the occasion was supplied by a five piece ensemble dubbed Little James and the Upsetters, who performed on the newly unveiled stage erected in the Grand Ballroom by the Student Council. The stage was constructed at a cost of \$40. This total was devoted entirely to material costs, since the construction was done by volunteer of student labor.

Decorations for the occasion were forty years, which gave a small insight into the past history of this New Orleans festivity. Senior members of the Student Council were responsible for the decorating and clean-up after-

NOW IS THE TIME!

What is your definition of a school? Is it a place where you go grudgingly every weekday (and maybe a Saturday or so) only because you are being constantly pushed forward against your will? Or do you go willingly because you realize that there might be a bit of intelligence and good judgement to back the advice of your elders. After all, they have been around a bit longer than you, and isn't experience the best teacher? They could be trying to help you. If your's is the latter motive, then you are showing signs of maturing. You are able to accept trials because you realize that in the long run you will come out far ahead. But what if you came grudgingly?

Maybe it's because you don't really understand what a school is—your definition is incomplete. You might think that the main reason you are here is to excel in athletics. Or maybe not to excel in anything—in fact, to make it a point to fail in your schoolwork, and then blame it on your teachers and the school. Repair your definition—suppose that your scholastic achievement is the main reason for your being here. Suppose that once you have successfully completed your schooling you will be happier and prouder because of it. Just suppose this, and act accordingly. Who doesn't want to be proud of himself for doing something tough—but worthwhile?

Freshman A Class listens attentively as Brother Noel instructs them in the proper use of modern English, so vital to success today.

Bro. Noel Sparks Freshmen Interest

Freshmen are not having a hard time trying to get used to a high school way of life around SSC. Under the direction of B. Noel, S.C., they have sponsored and participated in several projects during the year.

Through the tireless efforts of Brother Noel and Coach Thrifley, a Freshman football team was organized for those boys who were unable to play Varsity football. Even though the freshman squad had a winless season, the Baby Rocks gained much experience which will benefit them in the time to come.

competed in sporting activities held in the gym and on the football field. Among the games played were football, volleyball, and basketball. Needless to say, 9B were the victors of the day!

Greg Granello tries to make two points in the last minutes of the Senior Varsity-Faculty game.

Council Plans Talent Nights

Student Council members, at a meeting February 21, voted that a series of entertainment nights could be presented, the first of which being a Hootennanny.

A new twist has been added to the sale of license plants, in that the purchase of one will credit the purchaser's homeroom with 25¢ donated the missions.

Other matters discussed included the time and manner of the election of next year's Student Council officers. The question arose concerning whether candidates should run independently, on a ticket, or be given the choice. A group of the present council will discuss this matter with a faculty advisor.

SENIOR STALWARTS BOW TO FACULTY ALL-STARS

Sparked by a 30-point effort on the part of Coach Murphy, SSC elders managed a 104-42 victory Feb. 28 over the Class of '67, whose youth wasn't enough to compensate for a lack of proficiency in basketball.

A quick volley of crib shots proved to be a contributing factor in Coach's surge, as Seniors neglected strict defensive tactics. Coach Hitt and Brother Eduardo added 14 and 12 markers for the starting five. Brother Pius managed 9 tallies, although frequent-

ing a position of a slightly lower level. Brother Raymond, attired in his flashy green plaid shirt, followed with 5.

Not wanting to be outdone, the faculty's second group continued the assault, paced by Brother Peter's 20 points. Brother Lee and Brother Aquin, minus one pair of spectacles, added 5 points each. Coach Triffiley, along with Brothers James and Charles, also displayed skills of the other generation.

News Editor

A new editor-in-chief and assistant editor arrangement now presides over the Rock A Chaw staff which was formerly headed by two co-editors. Dennis Raymond and Ed Polozola have recently been appointed to their positions of Editor-in-Chief and assistant Editor respectively by Rock A Chaw moderators Brother William Boyles and Brother Joseph Autin.

Working with the staff, the editors must perform many duties, including setting up and arranging the paper, assigning articles, and proofreading and re-writing if necessary, besides keeping up with their regular school work.

When asked his ideas on the improvement of the paper, the Editor voiced the opinion of the

Dennis Raymond

Ed Polozola

Staff Sponsors Questionnaire

Recently, the Rock A Chaw issued a poll to all high school students with various questions. From the 65% return, the following are outstanding answers:

When asked what is the first thing that comes to your mind when you hear "school," Mark Troeschert exclaimed, "Ecch!!" Rickey Oustalet chirped in "Not again," followed by Mike Plunkett's "If you don't, you'll get drafted."

Hearing Gary Crowley's and Stanford Ladner's stomachs during the 11 o'clock a.m. period is a real enjoyment for Jim Morlan. B. J. Poolson's growls so much

and so loudly that he drives Robert Lundin crazy. Ronnie Genin, George Kearney, Mike O'Leary, Nelson Saucier and Alan Goebel are too busy listening to their own to listen to anyone else's. Jack Leary usually hears Brother More's growling while Rickey Oustalet hears nothing but the gnashing of teeth.

Many television celebrities are among the students at SSC. One such star is Weldon Frommeyer. Weldon was a frequent visitor to Captain Sam while Michael O'Leary always appeared on Popeye. Pat Quinlan stood on the TV to hang a picture.

KEEPING UP WITH TIMES

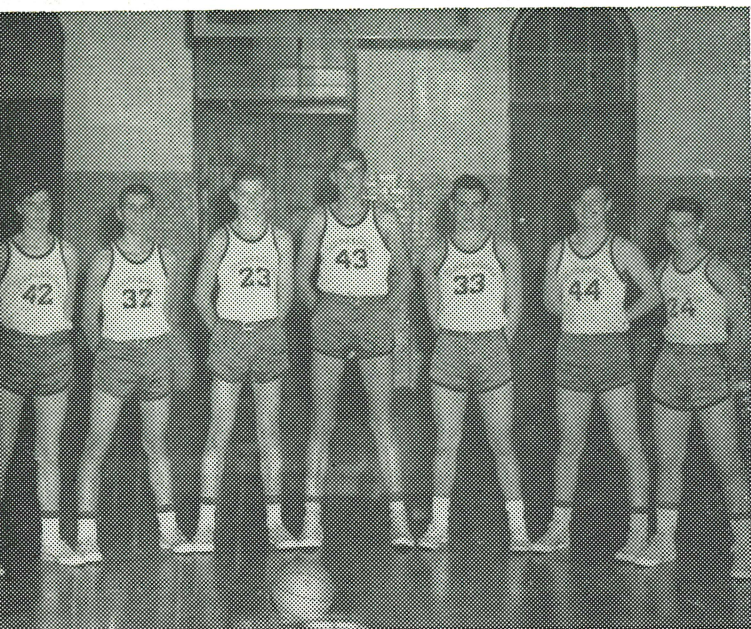

Because of a lack of Rock A Chaw reporters, a lot of miscellaneous news has been neglected. In an effort to correct this over-

sight, the Rock A Chaw staff has inaugurated a miscellaneous news column.

The Austin Healy 3000 seen on campus a while ago belongs to a professional photographer, here taking pictures of classes and campus for a new advertising brochure to be sent out in the very near future.

Top scholastic honors went to High School students Leo Di Benedetto, Steve Martin, Stan Ladner and Dennis Raymond, and Grammar School students Jerry Liuzza, John Wayne, Ralph Aucoin, and Tony Eymard for their unfailing effort to maintain a "4.0" average for the first semester.

entire staff—the paper could definitely be larger, more comprehensive, and more frequent in publication. But at present the staff is so small that there is nothing they can do to increase the size of the paper. All members of the Rock A Chaw are already doubled up on assignments. If interested

The undefeated Junior Varsity: Terry Phillips, Eddie Haas, Tommy Lyles, Steve Drury, Mike Meyers, John Jones, and Mike Gemelli. managed to keep a clean slate all season, making good the prospects of future varsity teams.

FALL SEASON LOOKS GOOD

The 1967 Spring Training of the St. Stanislaus Rock A Chaw football team got off to a good start this year with approximately seventy students turning out to begin practice for next year's football team, including 16 lettermen from this year.

Coaches Murphy and Hitt stated that the attitude of the players is good and they are looking forward to a good season. About the team as a body the coaches said the defense has a lot of potential, bigger, stronger backs with many good moves but they need more speed. The team has strong flankers and ends and a fine quarterback. It was commented that another quarterback was needed to back up Steve Worrel and that more depth was needed in the line. Coach Pitolo will be coach for the Varsity along with Coach Murphy and Coach Hitt. Coach Thriffiley will again coach the Freshman football team.

The Rocks' first game will be against Mid City Baptist High of New Orleans on September 9, 1967. All home games will begin at 7:30 p.m.

**ARCENEUX
SERVICE STATION**

J V Undeclared Varsity, 11-10

The magnificent SSC Junior Varsity finished their season with an unblemished 18-0 record, while the determined Varsity closed out with a winning 11-10 listing.

Running into several snags during the campaign, the Varsity lost 6 games by less than 5 points. However, standout forwards Mario Lovisa and Weldon Frommeyer kept the Varsity hoopsters out of many close calls.

Final statistics for the Varsity show the leading scorer to be Weldon Frommeyer, followed very closely by Mario Lovisa. Vital contributions by Vaughn Arceneaux, Pat Quinlin, Ronnie Genin, Sylvan Ladner, Mike Meyers, Pete Frank, and Barry Farve kept the

team as a strong working unit.

In spine-tingling wins over Cor Jesu and St. Augustine Seminary, the Junior Varsity attained a well-deserved 18-0 slate. This is the first time in SSC's 123 year history that a basketball team has gone undefeated.

Due mainly to the efforts of Mike Meyers, Mike Gemelli, and Tommy Lyles, the J. V. Rocks were able to average 54 points a game, while holding their opponents to 32 points. Aided tremendously by Eddie Haas, John Jones, Terry Phillips, Mike Sullivan, and Steve Drury, the J. V. was able to keep its slate clean.

Coach Murphy, when asked to comment on them, replied, "The fine J. V. team that I had this year had the most powerful offensive punch of any team that I've coached. I feel that the boys learned discipline, as well as a better knowledge of the game. They should form a good nucleus for next year's Varsity."

Brother Raymond Ruffino, S.C., the Athletic Director, added that with the acquisition of a new basketball coach, St. Stanislaus will be very tough on the hardwood next year.

The Coach's Corner

By BILL MURPHY

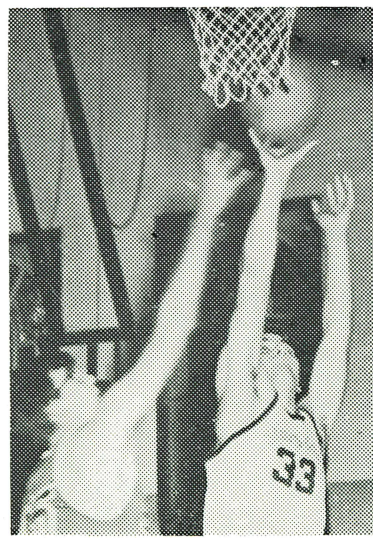

Our basketball season is over, and I'm proud to say we made a fine comeback. We ended our season with a 11-10 record, which is not great in itself, but considering we were 3-7 at one point indicates the fine second half of the season we had.

To my two seniors, Pat Quinlan and Mario Lovisa, I say thanks, and to all returning members of the team we are looking forward to a great year next year. Not

only to the varsity, but to our fine Junior Varsity members who will be moving up next year.

Again, congratulations to our great Junior Varsity who compiled an undefeated year with an 18-0 record. I know I speak for the whole school when I say we're proud of you.

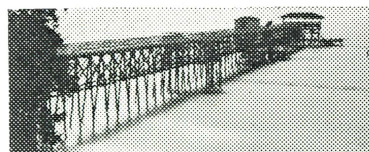

I would also like to thank, on behalf of the team members, all those parents who faithfully followed the team through the year. This means a lot to the coach and the boys as well.

1967 FACULTY

Saint Stanislaus, among the oldest of Southern Prep schools, was founded by the Brothers of the Sacred Heart in 1854. The School of Character had its phase of growing pains as evidenced by the various factors impending its growth.

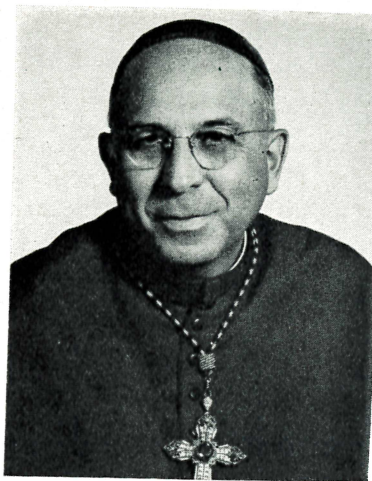

At the turn of the century, disaster, in the form of fire, struck the shore buildings, which were burned to the ground. Earnestly, the Brothers started working on new buildings, which presently face the Gulf.

Throughout its 113 years of existence, SSC has been blessed with many wise administrators. Brother Peter, president of the College in 1926, made the school nationally renowned through his famous "boyology" talks.

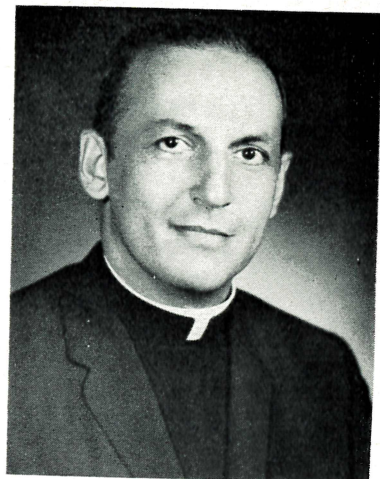

Under Brother Alexis, the new kitchen and dining room was erected in 1949. Brother Roland saw to the construction of the infirmary building which was erected in 1959 and the newly completed Aurelian Hall.

SENIOR CLASS OF 1967

Nineteen hundred and sixty-seven . . . this year you graduate. Soon you shall step forward to assume the responsibilities of manhood for which you have been prepared here at St. Stanislaus.

The past now stands before us as a tapestry woven with the many threads of joys and sorrows, success and failures, laughter and tears. Of youthful experiences, these have become in reality the "good old days" from which you have emerged victorious. However, with the aid of moderating hands you have fashioned into an exquisite pattern overshadowed by the ideals of Christian manhood that will influence your future lives.

As you leave ably equipped, spiritually, intellectually, and physically, leave with confidence in your new endeavors.

Student Organizations

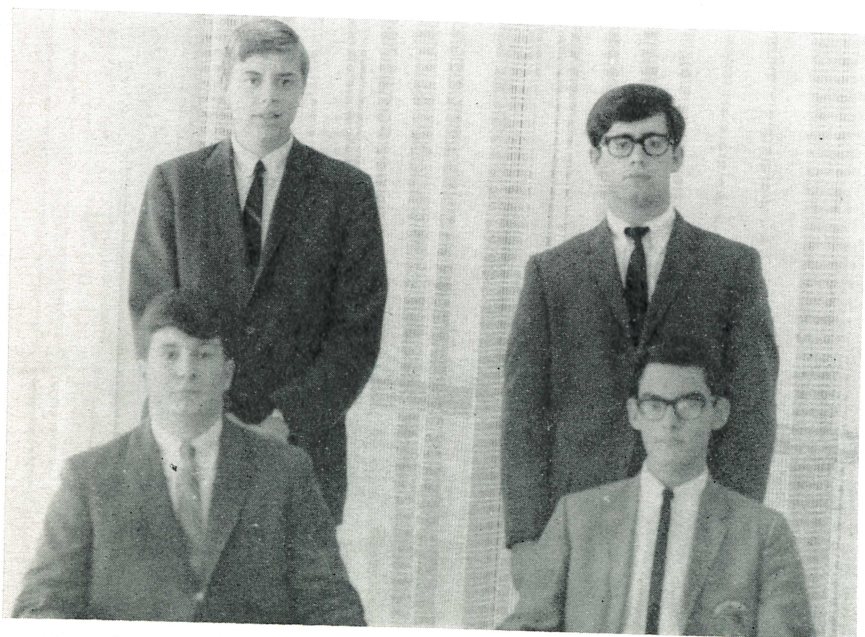

Organizations at SSC are an important pathway through high school. School organizations help a student exercise his interests and become a working part of the school community. They enable him to obtain experiences in fields that are not formally taught in the classroom. Here he applies what he has learned in his formal education.

Here at SSC, students are able to develop their physical abilities by participating in interscholastic activities, such as football, basketball, track, baseball, and the band. Through the Confraternity, students spiritually develop their minds and souls by performing various Christian deeds. The Student Council enables a student to become more civic-minded by rendering dedicated services to both the school and the community.

Student Council officers for 1966-67 are: Larry Toal, Ronnie Genin, Pat Quinlan, Mike Meyers, and Weldon Frommeyer

STUDENT COUNCIL FOSTERS MANY ACTIVITIES

Confraternity officers
for 1966-67 are:

Carey Phillips,
Rene Guas,
Joseph Martin
and
Keith Boudreaux

The 1966 Varsity football squad is: (1st row) Mike Ryan, Claude Betbeze, Max Gianelloni, Al Jacobi, M. J. Rhodes, Randy Coyle, Steve Worrel. (2nd row) Ronnie Genin, Rene Guas, Bobby Marshall, Steve Exum, Malcom Cowand, Rucks Robinson, Mike Lytal. (3rd row) John Jones, Bruce Brown, Bill Eubanks, Jim Black, Mike Meyers, Greg Presnell, Ronnie Matthews, Bill Mashburn. (4th row) Jim Rehkopf, Vaughn Arceneaux, Micky Pugh, Ricky Oustalet, Dan Griffon, Pat Quinlan, Mario Lovisa, Nelson Saucier, and Weldon Frommeyer

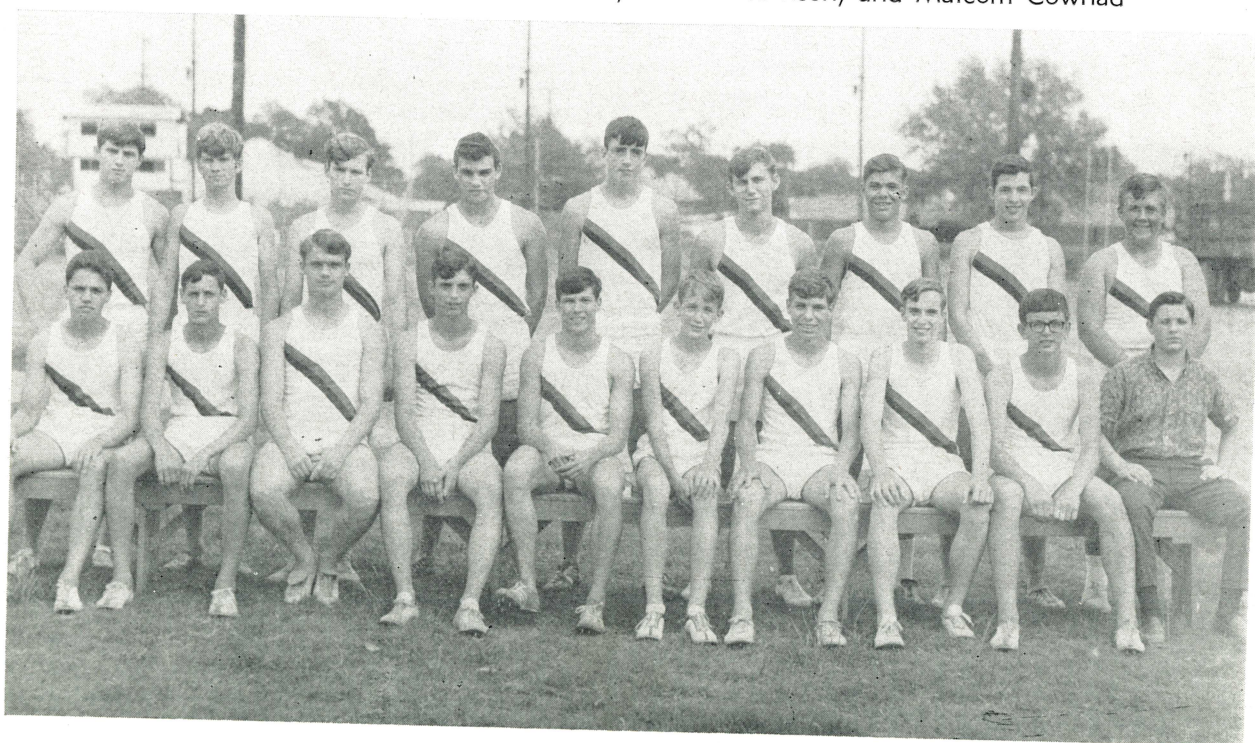

Members of the 1967 baseball team are: (1st row) Jack Leary, Ed Weidner, Pete Frank, Pat Kilbrew, Mike Gemelli, Randy Coyle, Bill Goodwin and Steve Strutz. (2nd row) Mr. James Thriffiley (Coach), Cliff Piazza, Jim Morlan, David DeBlanc, John Jeandron, Emile Lewis, Jose Pepen, Hector Mora, George Satchell and Bob Licalzi (Manager)

The 1966-67 basketball squad is: Sylvan Ladner, Barry Favre, Vaughn Arceneaux, Weldon Frommeyer, Mario Lovisa, Pete Frank, Pat Quinlan, Mike Meyers, Terry Mulligan, Ronnie Genin, and Tom Pritchard
